

How Machines do Our Shorthand, Our Bookkeeping, Our Adding, Our Typing, Our Talking,

No hand work can be as accurate as Machine Work. Our Shorthand Machine—the Stenotype—prints shorthand in just the same letters you learned when you were six years old. No hieroglyphics—just plain A, B, C, which anyone can read. Have you seen it? Well you have something of interest still to see. Make your mind up to look into this little device to-day. It will pay you to do it. Don't stand still. Don't go backwards. Remember what you said about the Adding Machine, a few years ago. Write us about your wishes, your ambitions. You will not be the first boy or girl, by many hundreds we have helped solve the problem of "How to make a living."

Are you thinking of training for a profession or a trade? We used to say "The quickest way to success in any profession is learning Shorthand." We still say so, but by all means learn it the "Machine Way."

Our School has added Shorthand Machines just as we added, years ago, Typewriters, Adding Machines, Mimeographs. (And we have not forgotten to keep them MODERN), etc., because the Public demands new and up-to-date facilities for making the busy man's work easy.

Modern Bookkeeping is very little like what it was thirty years ago.

SATURDAY.

With what Paris terms unprecedented violence, the Germans to the north of Verdun have attacked French positions in spite of heavy snows, after a night's lull, which was believed to be given to disposing of the dead and injured and reinforcing. Authoritative estimates in Paris place the German losses in the four days since the attack was begun at 150,000 of the 300,000 strength. A surgeon from Verdun reported he saw an entire brigade annihilated by French fire. It is believed the assault, which is supported by the pick of the German armies, many from the Russian front, and great mortars, will continue a fortnight, as the French are re-enforcing and their lines are not broken, despite German reports of 10,000 men captured and destructive progress. Berlin reports the capture of the fortified villages of Champenille, Cottelle, Marmont, Beaumont, Chambrettes and Ornee.

Telegram from all over the United States reached the White House yesterday voicing the approval of the people on the firm stand taken by the President on the submarine issue with Germany. The Greene Anti-Screen Bills, providing for the enforcement of the salmon Sunday-closing laws, were beaten yesterday in the Kentucky House of Representatives, and the Hutchcraft substitute, carrying out the same purpose and enforced by Gov. Stanley, was passed instead. The vote on the measure was 78 for and 6 against, only the members of the Louisville delegation registering their votes against it. Bitter debate preceded action on

the substitute, in which many personal allusions were exchanged. Attorney General M. M. Logan was granted the privilege of the floor to reply to attacks made upon him by Mr. Greene.

S. M. Bradley, of Morehead, was elected Senator from the district of Carter, Bath, Menefee, Fleming and Rowan counties to fill the unexpired term of the late James B. Stewart, defeating J. W. Strothers, Democrat, of Grayson, by a majority of 750.

**MAMMA! DON'T YOU
SEE YOUR CHILD IS
SICK, CONSTIPATED**

LOOK AT TONGUE! MOVE POISONS FROM LIVER AND BOWELS AT ONCE.

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-aches, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the food waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the California Fig Syrup Co.

**GIRLS! DRAW A MOIST
CLOTH THROUGH HAIR,
DOUBLE ITS BEAUTY**

TRY THIS! HAIR GETS THICK,
GLOSSY, WAVY AND BEAUTIFUL AT ONCE.

Immediate?—Yes! Certain?—that's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil and in just a few months you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded dry, brittle or thin. Besides beautifying the hair Danderine dissolves every particle of dandruff; cleanses, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use an all-glossy wig—tarry week's use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and know it's surely get a 25-cent bottle of Keweenaw's Danderine from any drug store or toilet counter and try it.

**UGH! ACID STOMACH,
SOURNESS, HEARTBURN,
GAS OR INDIGESTION**

**THE MOMENT "PAPE'S DIAPESIN"
REACHES THE STOMACH ALL
DISTRESS GOES**

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, jot this down: Pape's Diapasin digests everything, leaving nothing to sour and upset you. There never was anything so safely quickly, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapasin" is quick, positive condition so the misery won't come back.

You feel different as soon as "Pape's Diapasin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine. Go now, make the best investment you ever made, by getting a large fifty-cent case of Pape's Diapasin from any drug store. You realize in five minutes how needless it is to any stomach disorder.

**Husband and Wife Both
Saved From Suffering**

I wish to tell you the good results myself and husband received from Dr. Kilmer's Swamp-Root. About eleven years ago I had a severe attack of La Grippe and was confined to my bed about eight weeks under the doctor's care. He pronounced my case kidney trouble and rheumatism and not receiving the results from the doctor's treatment I should have received, I decided to try Swamp-Root. After taking several bottles of Swamp-Root I was able to get up and attend to my work. About a year later my husband was affected with a severe attack of kidney trouble and doctored for some time with the doctors and received no benefit. Knowing of the good I had received, he decided to try Swamp-Root. His condition was such that he was confined to his bed and words cannot tell how he suffered, but after taking Swamp-Root he was relieved so he could go on with his work without pain I wish to heartily recommend Swamp-Root to all persons affected with kidney and bladder trouble and you may publish this letter if you wish.

Your truly,
MRS. A. E. BRUGGS,
